

LIFE CAMP MINISTRY SCHOLARSHIP APPLICATION

We at Life Camp appreciate the work of those engaged in ministry. We realize the financial sacrifice made and the impact that can have on your family. Accordingly, we want to offer scholarships to the children of full-time Christian workers as we are able. These scholarships are provided by donors who share our vision of being a blessing to the Church by helping children come to Life Camp at a reduced rate. Scholarships are subject to availability, and are generally partial scholarships. Families whose primary breadwinner is employed in full-time Christian ministry may apply. We encourage you to apply early to maximize your chance of receiving a scholarship.
